No. 656

Whereas, Richard M. Cushner and Estelle G. Cushner -----

of Mashpee -----, in the County of Barnstable -----and Commonwealth
aforesaid, have applied to the Department of Environmental Quality Engineering for license to
construct and maintain permanent pile supports and temporary pier, ramps
and float in Great River, in the Town of Mashpee -----

and have submitted plans of the same; and whereas due notice of said application, and of the time and
place fixed for a hearing thereon, has been given, as required by law, to the -----
Board of Selectmen- of the Town ----- of Mashpee -----;

Now said Department, having heard all parties desiring to be heard, and having fully considered
said application, hereby, subject to the approval of the Governor, authorizes and licenses the said
Richard M. Cushner and Estelle G. Cushner -----

-----, subject to the provisions of the ninety-first chapter
of the General Laws, and of all laws which are or may be in force applicable thereto, to construct
and maintain permanent pile supports and temporary pier, ramps and float
in Great River, at their property, in the Town of Mashpee, in conformity
with the accompany license plan no. 656 (one sheet)

A pipe pile supported timber pier may be constructed and maintained, extending into said river in a westerly direction, having a length of approximately 120 feet and a width of 4 feet with a finished deck elevation of 3.6 feet above the mean low water datum.

A 4 x 11 foot access ramp may be placed and maintained between the mean high water line and said pier.

A 6 x 20 foot float, reached by a 4 x 12 foot ramp from said pier, may be placed and maintained at said pier's westerly end.

An existing mooring pile may be relocated as indicated on the license plan.

All work authorized hereby shall be in the location shown and in accordance with the details given on License Plan No. 656

Please see page 3 for additional conditions to this license

Duplicate of said plan, numbered -----6 5 6----- is on file in the office of said Department, and original of said plan accompanies this License, and is to be referred to as a part hereof.

The amount of tide-water displaced by the work hereby authorized has been ascertained by said Department, and compensation thereof has been made by the said Richard M. Cushner and Estelle G. Cushner -----

by paying into the treasury of the Commonwealth two dollars (\$2.00) _____
_____ for each cubic yard so displaced, being the amount hereby assessed by
said Department.

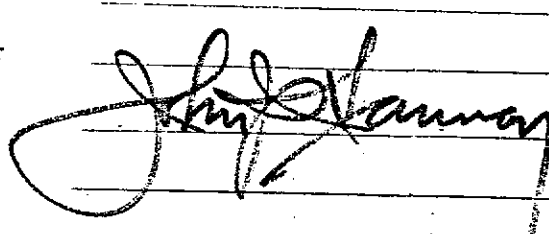

Nothing in this License shall be so construed as to impair the legal rights of any person.

This License shall be void unless the same and the accompanying plan are recorded within
one year from the date hereof, in the Registry of Deeds for the _____
District of the County of Barnstable.

In Witness Whereof, said Department of Environmental Quality Engineering have hereunto
set their hands this tenth _____ day of April _____ in the year
nineteen hundred and eighty.
